

**Faculty Profile
2018-2023**

1. Personal Details:

Name: Aparupa Banerjee

Qualification: M.Sc

Designation: Assistant Professor

Department: Geology

Email id: only.aparupa@gmail.com

Teaching Experience [substantive post only]: 8 years

2. Previous work places: NIL

3. Academic Credentials: M.Sc, NET

4. Courses Taught: Geology Hons. & Gen

5. Administrative Experience (if any):

6. Specialization and Research Interests: Metamorphic Petrology, Precambrian Geology, Geochronology

7. Publications: (Research article, General article, Books, Books chapter etc.)

1. Bose, S., Ghosh, G., Kawaguchi, K., Das, K., Mondal, A.K., Banerjee, A., 2021. Zircon and monazite geochronology from the Rengali-Eastern Ghats Province: Implications for the tectonic evolution of the eastern Indian terrane. Precambrian Research, 355, p.106080.
2. Banerjee, A., Ganguly, P., Bose, S., Das, K., Sorcar N, 2022. Two-stage metamorphism of the Angul-Tikarpada area, Eastern Ghats Belt and its implications on the India-East Antarctica correlation, Goldschmidt conference.

8. Patents (if any): NIL

9. Research Project (if any): NIL

10. Research Supervision (Ph.D./M.Phil.) NIL

11. Seminar/Workshop participated:

1. Goldschmidt conference 2022: Two-stage metamorphism of the Angul-Tikarpada area, Eastern Ghats Belt and its implications on the India-East Antarctica correlation, Goldschmidt conference.

12. Programmes Conducted / Organised as Convenor / Organising Secretary etc. NIL

13. Achievements/Awards/Membership: Life Member of Indian Science Congress

14. Any Other Relevant Information: NIL
